General Advice

Any advice **we** provide or that is contained within this **PDS, policy** wording or other accompanying documentation is general advice and does not take into account **your** personal objectives, financial objectives or needs. Because of this **you** should decide if it is right for **you** by considering the information contained in this document carefully.

Other Factors to Consider before taking out This Insurance

The **policy** contains a number of general exclusion, terms and conditions, as well as limits and sub limits that **you** should be aware of when considering whether to purchase this **policy**.

Significant Risks: Exclusions

The **policy** will not provide insurance cover under certain circumstances. For example, **your** Insurer will not pay for:

- more than one disability for each **accident**.
- a medical condition that was known or ought reasonably to have been known to the **member** before the **period of insurance**
- a heart condition, stroke or other cardiovascular condition if the **member** is over 35 years of age
- an infection unless it can be shown that it was acquired as a result of direct contact while the **member** was taking part in a competition, game, performance or training
- a **member** taking part in snow and ice sports, water skiing, or racing (other than racing on foot) unless it is the sport for which **you** are covered
- a **member** being under the influence of or addicted to a drug or an intoxicating liquor
- a **member** taking a performance enhancing drug.

Full details of the exclusions appear in the **policy** wording in the General Exclusions and in the specific exclusions in Section 1. **You** should read the **policy** wording and make yourself aware of all the exclusions that apply.

Conditions

You must meet certain conditions for **your** insurance cover to apply. For example, **you** must pay the **premium** by the due date. Conditions of cover are shown in the 'General Conditions' section and in Section 1. **You** should make yourself aware of all the conditions that apply by reading the **policy** wording.

Limits of Cover

Our liability is limited to the amount shown in the **certificate** that **we** will issue to **you**. **You** need to decide if the limits of cover are appropriate for **you**. If they are not, **you** may be underinsured and have to bear part of any loss yourself.

Excesses & Waiting Periods

Excesses and **waiting periods** are applicable to any claim that **your member** makes under the Sports Injury section of the **policy**. The **excesses** and **waiting periods** applicable will be shown on the **certificate**.

The standard Excesses **your members** may be required to pay or the applicable **waiting periods** are:

Medical and Dental costs – **your members** may be required to contribute towards the cost of any claimable medical treatment. The amount **your members** may be required to pay will vary and will be determined by **your** individual circumstances. The amount will be shown on the **Certificate**. In addition to this amount, **your members** may be required to pay an **excess** of \$50 when **they** make a claim for this additional benefit if they do not have private health insurance.

Weekly Benefits – a **waiting period** of 7 days may apply.

Student Help – a **waiting period** of 7 days may apply.

Home Help – a **waiting period** of 7 days may apply.

Home Nursing Care – a **waiting period** of 7 days may apply.

Your insurer may at its discretion increase any of the **excesses** or **waiting periods** listed above based on **your insurer's** overall assessment of the risk and **your** claims or loss history. If **your insurer** increases any of the above listed **excesses** or **waiting periods**, this will be shown on **your certificate**.

Cost of Your Policy

The amount that **your insurer** charges **you** for this insurance when **you** first acquire **your policy** and when **you** renew **your policy** is called the **premium**. The **premium** is the total that **your insurer** calculates when considering all of the factors which make up the risk, such as:

- the type of cover **you** choose
- the amount of benefit chosen
- **your** individual circumstances, including matters such as the Sport which **your** club plays.

The total cost of **your policy** is shown in dollars on **your certificate** and is made up of **your premium** plus Government Taxes such as, GST, Stamp Duty and Fire Service Fees. Other applicable fees and charges can be found on page 8.

Your insurer expects that **you** pay **your premium** by the due date. **You** can pay by BPay, Credit Card, Cash, Cheque or **premium** Funding.

Your premium is calculated based on **your** specific risk profile which may include the **sums insured**, age or previous insurance history.

What happens if you do not pay the cost of your policy by the due date?

Your insurer will have the right to cancel **your policy** if **you** do not pay **your premium** by the due date or if **your** payment method is dishonored and therefore **Your Insurer** has not received **your** payment by the due date, unless this is no fault of **your** own. Unless **your insurer** tells **you**, any payment reminder **your insurer** sends does not change the expiry of **your** cover or the due date of **your premium**.

Paying By Installments

- Where **you** pay **your premium** by installments:
 - **Your insurer** will not pay any claim if at the time the incident giving rise to the claim occurred, at least one installment of **premium** remained unpaid for 14 days or more;
 - if any installment of **premium** has remained unpaid for 30 days, the **policy** will come to an end without notice to **you**.
- In the event of a claim, any balance of the annual **premium** will become due before settlement of the claim. Alternatively, it may be deducted from the settlement of **your** claim.

- If the financial institution holding **your** account return or dishonor a direct debit payment due to lack of funds in **your** account, **your insurer** will charge **you** for any direct or indirect costs which **your insurer** incurs arising from the payment being returned or dishonored.

Other costs, fees and charges

Other costs, fees and charges which may be applicable to the purchase of **your** insurance **policy** include:

Cancellation Fee	You may cancel your policy at any time. If you choose to cancel your policy your insurer will retain a portion of premium which relates to the period for which you have been insured. GENERAL INFORMATION

This part of the document provides **you** with general information about Section 2. Sports Liability and Section 3. Professional Indemnity.

Duty of Disclosure – What You Must Tell Us

Under the Insurance Contracts Act 1984, **you** have a Duty of Disclosure. **You** are required before **you** enter into, renew, vary, extend or reinstate **your policy**, to tell **us** everything **you** know and that a reasonable person in the circumstances could be expected to know, is a matter that is relevant to **our** decision whether to insure **you**, and anyone else to be insured under the **policy** and, if so, on what terms.

What **you** do not have to tell **us**

You do not have to tell **us** about any matter that:

- (a) diminishes the risk;
- (b) is of common knowledge;
- (c) **we** know or should know in the ordinary course of **our business** as an Insurer; or
- (d) **we** indicate **we** do now want to know.

If **you** do not tell **us**

If **you** do not comply with **your** duty of disclosure, **we** may reduce or refuse to pay a claim or cancel **your policy**. If **your** non-disclosure is fraudulent, **we** may treat this **policy** as never having worked.

Section 3 Professional Indemnity – Claims Made and Notified

Your insurer will not cover **you** for claims that arise from:

- a) A breach of duty that occurred before the **retroactive date**.
- b) Facts that **you** were aware of before this **policy** began.

If during the **period of insurance** **you** become aware of a claim or facts that may lead to a claim **you** must tell **your** Insurer about them as soon as **you** can during the same **period of insurance**. If **you**:

- a) Do, **your insurer** may pay the claim even if it is made after the **period of insurance**. This does not apply to a breach of duty that occurred before the **retroactive date**.
- b) Do not, **your insurer** may not pay any resulting claim.

Your Professional Indemnity insurance is issued on a “Claims Made and Notified” basis. Subject to its terms and conditions, the **policy** will cover **your** civil liability for a Breach of Duty arising from any claim first made against **you** during the **period of insurance**. This means that “**Your Agreement to Cover You**” clause responds to:

- a) claims first made against **you** during the **period of insurance** and notified to **your** Insurer during the **period of insurance**, provided that **you** were not aware at any time prior to the start of the **policy** of circumstances which would have put a reasonable person in **your** position on notice that a claim may be made against him/her;
- b) Section 40 (3) of the Insurance Contracts Act 1984 however, provides that an insurer cannot refuse to pay a claim by reason only that the claim was made after the expiration date of the **policy** in circumstances where **you** gave notice in writing to the insurer of facts that might give rise to a claim as soon as was reasonably practicable after **you** became aware of those facts but before the end of the **period of insurance**.

The **policy** however, will NOT cover **your** civil liability for a breach of duty arising from any claim:

- a) first made prior to the start date of the **policy**; or
- b) directly or indirectly based upon, or attributable to, or in consequence of, any incident, occurrence, fact or matter known to **you** prior to the start date of the **policy** and which **you** knew, or ought to reasonably have known, had the potential to give rise to a claim under the **policy**; or

- c) directly or indirectly based upon, or attributable to, or in consequence of any fact, matter, circumstance or occurrence which has been notified under any other insurance which **you** had or which started prior to the start date of the **policy**.
- d) if the Breach of Duty giving rise to the claim occurred prior to the **retroactive date**.

If **you** have agreed not to seek compensation from another person who is liable to compensate **you** for any loss, damage or liability which is covered by this **policy** **we** will not cover **you** under this **policy** for that loss, damage or liability.

How Goods & Services Tax Affects Any Payments We Make

The amount of **premium** payable by **you** for this **policy** includes an amount for the GST on the **premium**.

When **we** pay a claim, **your** GST status will determine the amount **we** pay.

When **you** are not registered for GST, The amount **we** pay is the limit of liability or the other limits of insurance cover, including GST.

When **you** are registered for GST, **we** will pay the limit of liability of the other limits of insurance and, where **you** are liable to pay an amount for GST in respect of an acquisition relevant to **your** claim (such as services to repair a damaged item that is Insured under the **policy**), **we** will pay for the GST amount.

We will reduce the GST amount **we** pay, by the amount of any input tax credits ("ITC") to which **you** are or would be entitled if **you** made a relevant acquisition. In these circumstances, the ITC may be claimable through **your business** activity statement ("BAS"). **You** must advise **us** of **your** correct Australian **business** number and taxable percentage.

Any GST liability arising from **your** incorrect advice is payable by **you**. Where the settlement of **your** claim is less than the limit of liability or the other limits of insurance cover, **we** will only pay an amount for GST (less **your** entitlement for ITC) applicable to the settlement. This means that if these amounts are not sufficient to cover **your** loss, **we** will only pay the GST relating to **our** settlement of the claim.

We will (where relevant) pay **you** on **your** claim by reference to the GST - exclusive amount of any supply made by any **business** of **yours** that is relevant to **your** claim.

GST, ITC, BAS and Acquisition have the same meaning as given to those expressions in A New Tax System (Goods & Services Tax) Act 1999 and related legislation as amended from time to time.

Taxable percentage is **your** entitlement to an ITC on **your premium** as a percentage of the total GST on that **premium**.
